St. Dominic Catholic School would like to recognize and thank the St. Mary's Legacy Foundation of East Tennessee for the generous grant awarded during the 2021-2022 school year. As a result of this grant, SDCS was able to replace two HVAC units that were over 30 years old.

Please consider supporting St. Mary's Legacy Foundation through via prayers and/or donations. It is through the generous donors that the Foundation is able to award grants to fund programs of charity, health, and education throughout East Tennessee.
